CERTIFIED MAIL-RETURN
RECEIPT REQUESTED

Dear Mr. Evans:

This letter is a notice that Unico Inc. is not in compliance with the Forest Service Mining Regulations, 36 CFR Part 228, Subpart A.

On March 28, 1995, I sent you a certified letter stating that Unico Inc. did not have an approved Plan of Operations on file with the Forest Service for operations and facilities at the Deer Trail Mine. In the letter I indicated that Unico, Inc. could bring its operation at Deer Trail into compliance 1) by submitting a complete Plan of Operations that fully describes its proposed mining activities on National Forest Land as described in the Forest Service Mining Regulations, 36 CFR Part 228, Subpart A; or 2) by removing all the improvements, including equipment and fences, that have been made or placed on National Forest Land since August, 1993.

I have received no response from Unico Inc. to my letter nor has any activity occurred at the mine site to close out the operation.

If Unico Inc. has not brought its operation at Deer Trail into compliance by the means described above by September 13, 1995, I will issue a Violation Notice for the non-compliance. The Violation Notice will require a mandatory appearance by Unico Inc. before the Federal Magistrate in Cedar City, Utah.

Please contact me or Steve Winslow at 801) 438-2436 if you have any questions or if you wish to meet to discuss this situation.

Sincerely,

BENNETT W. BLACK
